

Headshot, Casting, and Model Sessions

Casting and Modeling Photo Sessions are very different from portraiture work. The ultimate goal of this type shoot is to capture images that will give you the extra edge to get the “part” or “work” you are looking for. Moon Dance Studios™ is here to be your expert in helping you reach that goal. We treat every client as an individual with a consultation and photo session that is personalized to fit the client in order to get them to the top of the casting directors’ picks.
